Managed the design and production of numerous direct-marketing campaigns and associated online materials for AOL and Netscape brands.

April 2003 – August 2003

Junior Display Designer

Marketing Impact Limited, Concord

Conceptual development and graphic design of brand-name point-of-purchase displays.

May 2000 – July 2001

Lead Designer & Lead Developer (Part-time)

Insiteful Solutions, Markham

Developed simple e-commerce solutions and website interfaces for small-businesses.

INTERESTS

I enjoy abstract expressionist painting both on canvas, and digitally using a tablet.
I have a great love for cooking: design with food.
